Deputy Chief Minister's Message

Dear Citizens,

Over the last 5 years, Nagaland has risen to be a shining star of the Northeast because of your faith in the BJP. Be it governance, infrastructure, healthcare, tribal welfare, agriculture, or the welfare of women and children, the state has been making significant progress. The people of Nagaland have shown their trust in the BJP and we have left no stone unturned in fulfilling the aspirations of the people of Nagaland.

In the last five years, we have assured peace and harmony in the state. Our government has worked to further strengthen facilities like electricity, water, housing, free food grains, education and health in the state.

Following our principle of *Sabka Sath, Sabka Vikas, Sabka Vishwas and Sabka Prayas*, we have brought forward a roadmap for increasing the pace of Nagaland's development. This Vision Document is our resolve of how our state will progress over the next 5 years. I firmly believe the Vision Document represents the dreams and ambitions of the people of Nagaland and we will work together to realise those dreams and aspirations.

Jai Hind!

Yanthungo Patton

Deputy Chief Minister, Nagaland

BJP State President's Message

My Dear Brothers and Sisters,

BJP has always wanted the people of Nagaland to prosper fulfil their dreams and realise their aspirations. However, due to the prolonged negligence of the previous Governments, their aspirations were a distant reality. Only under the leadership of Hon'ble Prime Minister Shri Narendra Modi, the pioneer of inclusive and fast-paced development, we have been rising and progressing.

Through various citizen-centric schemes, the central government has paved the way for the peace and development of Nagaland. Be it the healthcare scheme of PM Jan Arogya Yojana-Ayushman Bharat, Jal Jeevan Mission, free food grain distribution, PM Kisan Samman Nidhi Scheme, PM Ujjwala Yojana, etc. We have always focused on speedy implementation and last-mile delivery of government services and benefits.

Our Vision Document lays down the map of the next 5 years of economic prosperity, peace, and inclusive development. We have captured the aspirations of our people and duly included them in our Vision Document. I am confident that once again the people of Nagaland will bestow their trust in us and we will continue to work for the people of Nagaland. The mandate of the people of Nagaland will allow the lotus to bloom again.

Sincerely,

Temjen Imna Along Longkumer

BJP State President, Nagaland

Vision Document Committee Chairman's Message

My Dear Brothers and Sisters,

Over the last 5 years, Nagaland has made great efforts and is today a promising state in India. The central government under the able leadership and guidance of our Hon'ble Prime Minister Shri Narendra Modi has focused on inclusive development. We have been ranked first amongst the Northeast and Hill states in terms of e-Governance, about 7,000 militants have surrendered in the last few years and the establishment of anti-extortion cells and STF has greatly helped in maintaining peace and harmony.

In terms of agriculture and farmer welfare, we have significantly progressed in rolling out the central government benefits such as the PM Kisan Samman Nidhi Scheme and setting up agriculture-allied industries.

We have made significant strides under the current Government, sanctioning two medical colleges, strengthening the education ecosystem, strengthening the urban and rural infrastructure, providing over 2.1 lakh households with functional tap water connections under Jal Jeevan Mission, boosting connectivity through the construction of the National Highways and expanding the railway network. We, the people of Nagaland, take immense pride in preserving our rich heritage and culture and flora and fauna.

It is a matter of great pride for us that our Vision Document is the aspirational expression of the people of Nagaland. We appreciate your fervent support and participation during this campaign. We will carry forward the thrust in development by the Double Engine Sarkar and inculcate in our policies the mantra of Inclusive Development and last-mile delivery.

We are confident in forming the government and working with the people of Nagaland to fulfil the commitments outlined in this vision document.

Sincerely,

Phangyu Phom

Nagaland Vision Document Committee Chairman

**MODI FOR PEACE &
DEVELOPMENT**

MAJOR ACHIEVEMENTS OF BJP IN NAGALAND
